

Present Perfect

Directions:

On the line below, write a sentence in your native language about the past.

Answer the questions in the table to check if your sentence is in the present perfect tense.

Questions	Present Perfect
Do we know exactly when the event happened?	No
Is the past event connected in some way to the present?	Yes
Can you add the words 'already' or 'yet' in your native language?	Yes

Now, write the same sentence in English.

How do you express the present perfect in your language?

It's the same wording as the simple present tense.

It's the same wording as the simple past tense.

We don't have different tenses in my language.

It's very similar / same to the way English expresses it.
